

ELECTION JUNE 28 FOR DISTRICT 210

MANY ATTEND MOKENA MASS MEETING

FRANKFORT
PUBLIC SCHOOL
ALUMNI MEETS

Frankfort public school alumni held its 45th annual banquet in the parlors of St. Paul's Evangelical and Reformed church Tuesday evening, June 10. Invocation was read by Rev. David Munson.

The class of '52 was welcomed into the alumni by Donald Oetter, president. The response to the invitation was accepted for the class by Jean Lentz, class president.

Miss Viola Lankenau, school principal, introduced the graduating class, parents, and the school board.

The principal speaker was A. F. Hall, superintendent of the grade school at Fairmont.

The group singing added color to the occasion. It was led by Mrs. Jack Watkins. Paul Fiorenza, Chicago Heights accordionist, accompanied, and entertained with his accordion.

The following names were submitted for the next year's officers by Clark G. Bennett, chairman of the nominating committee: Clarence Klepper, president; Mrs. Ralph Nieland, vice president; Mrs. Fred Heuser, secretary and Paul Lambrecht, treasurer. The entire slate was elected.

Several awards were granted to members. Those who won awards were: Mrs. H. J. Lambrecht, the earliest graduate present; Mrs. Lester Peters, who had been married most recently; James DeVries of Racine, who traveled the farthest to come to the banquet; and Charles Vernon, who was born the greatest distance from Frankfort. Betty Lou Breyer was lucky just because her dinner ticket was No. 45.

Rev. Erich Bizer gave the benediction.

Death of Florence
Wannemacher Sun.

Following several years of illness, Mrs. Florence E. Wannemacher of Mokena passed away in the Little Company of Mary hospital Sunday morning where she had been a patient for three weeks.

Born in Mokena March 31, 1909, the daughter of Mrs. Mary Schweizer and the late William Schweizer, she lived there until 1919 when the family moved to Joliet. She completed her schooling in Joliet. It was June 1930 she was united in marriage with Robert Yunker of Orlando where they set up housekeeping on a farm there. Following his death in 1944 she and her family moved to Mokena. On June 10, 1951 she was united in marriage with George F. Wannemacher, proprietor of the Midwest Grocery in Mokena.

She was a member of the St. John's Evangelical church, the Woman's Guild of the church and of the Sunbeam Camp of the Mokena Royal Neighbors of America.

Surviving is her husband, George and three daughters, Phyllis, Marilyn and Doris Yunker and a son, Robert Yunker; her mother and a sister, Mrs. Ruth Allison of Joliet.

Funeral services were held from the Hirsch chapel in Tinley Park Tuesday afternoon at the St. John Evangelical church in Mokena with the pastor, Rev. William Riemann officiating. Burial was made in St. John's cemetery.

Former Mokena Man
Dies in Joliet Home

Edward J. Fuss, 66, former Mokena man succumbed to a lingering illness in his home in Joliet June 12.

Born in Mokena he has lived in Joliet since 1887. He was the husband of the former Matilda Haeckmeier of Frankfort.

He was employed as a molder by the Humphrey foundry in Joliet, and since 1932 operated a gas station on Cass street until 1949 when he retired because of ill health.

Surviving is his wife, a son Frank of Chicago, a daughter, Mrs. Joseph O'Brien of Joliet and his mother, Mrs. Lena Burstein also of Joliet.

Funeral services were held last Saturday in Joliet with Rev. Robert A. Mulligan officiating. Burial was made in Pleasant Hill cemetery, Frankfort.

The annual Methodist conference at Naperville will convene June 24 at 9:30 o'clock. There will be daily sessions, closing with an evening program. The conference is open to the public

Importance of
Planning Stressed at
Civic Asso. Meeting

"No community, large or small, can afford to postpone realistic planning," Victor A. Hyde, Consultant of the University of Illinois Bureau of Community Planning told the Civic association of Mokena at its June meeting last week. Hyde stressed the point that while many talk of planning as being only for larger cities, the fact is that smaller communities have similar problems.

Whether you plan or don't plan, your town will change. Planning is not something dictatorial; it is good common sense applied to future development of your community. Planning falls within four categories: Land Use, Streets, Schools-Recreation, and Civic Art. Under the state law an official plan commission may be set up by the village government.

Chas. Swanberg, president of the Civic association, reported the following personnel will head the Homecoming celebration on August 15, 16 and 17: Elmer Schoeneck, general chairman, Glen Vally, Eli Brown, grandstands and lumber, Russell Anderson, finance, Marion Owen and Vera Richardson exhibits, Milton Geuther, entertainment, Tom Lackey, grounds; Earl Moss working personnel, Norval Robinson, parade.

MOKENA VFW
TO GIVE DANCE
JUNE 28

William Martin Post No. 725 VFW, Mokena, is sponsoring a "June Dance", to be held Saturday, June 28th, at Mokena VFW hall.

The members of the post are going all out to secure a top orchestra so as to provide their many friends and dance patrons an outstanding evening of pleasure.

They invite all to the dance, old and new patrons and assure everyone of a good time. Dancing will start at 9 and refreshments will be available.

The date again, Saturday, June 28.

New Church Being
Erected in Homer

The 87-year old Homer Congregational church which was destroyed by fire Sunday morning, March 2, is being rebuilt largely by volunteer parishioners. The church, situated in the center of the township, a half mile south of Route 7, is a landmark which was built in Civil War days, and contained many irreplaceable relics.

Immediately after the fire, the congregation, comprising about 70 members, gathered in the Coleman home for a short service after the fire subsided and discussed plans for rebuilding. These plans are now taking definite shape.

At present prices, it is estimated that the replacement of the church will cost about \$35,000.

Fishermen Ply Art
To Win Fame, Prizes

The annual fishing contest sponsored by Charles Smith, proprietor of Tinley Park Hardware store, is off to a good start. Last week's entries by devotees of Ike Walton's gentle art were: Robert Bailey, 5 ounce sunfish; Johnny Kramer, Jr., 13 1/2 ounce bullhead; Danny Makiukenas, 1 pound and 1 ounce small-mouth bass.

Mr. Smith has run this fishing contest for the past several years. It has created widespread interest in this area among anglers. Many valuable prizes are offered.

Some fine specimens were caught last summer and entered in this contest, and it is expected that this year's entries will exceed in size and number those of last.

MEDICINE DEGREE
FOR KEITH RABINOV

Keith R. Rabinov, of Mokena, will receive the doctor of medicine degree from the University of Illinois today at commencement exercises at the Navy pier, in Chicago. He will be among 151 to receive this degree.

The commencement address will be delivered by Dr. Theophile A. Alajouanine of Paris, who has made many outstanding contributions in the field of neurology. President George D. Stoddard will confer the degrees

250 Guests Honor
Frank Brookmanns
At Golden Wedding

The golden wedding anniversary of Mr. and Mrs. Frank Brookmanns was observed last Sunday in the parlors of St. John Evangelical church in Mokena.

The church parlors were decorated with baskets of garden flowers and two vases of golden carnations. Their numerous anniversary cards were suspended by ribbons on a nearby wall.

The couple were married in Chicago June 18, 1902. Mrs. Brookmanns was the former Emma Weinberg, of Chicago.

The Brookmanns lived in Chicago for several years, after which they moved to Tinley Park, where Mr. Brookmanns went into business operating a tavern and dance hall in the Stockman building. After many years the Brookmanns moved to Hegewisch, where Mr. Brookmanns was employed as an electrician with the Pressed Steel Car company.

Upon Mr. Brookmanns retirement in 1949, the couple moved to Niles Mich. where they own several cottages which they rent out for the summer. During the winter they lived with their daughter and son-in-law, Mr. and Mrs. Henry Clark of Mokena.

Before leaving Niles last Sunday, Mrs. Brookmanns was presented with an orchid, and Mr. Brookmanns with a white carnation, from neighbors in Niles. Upon their arrival in Mokena their grandson, Henry Clark, Jr. presented Mrs. Brookmanns with a white orchid and Mr. Brookmanns with a yellow rose boutonniere.

More than 250 friends called Sunday afternoon, from Mokena, Tinley Park, Homewood, Chicago and suburbs, Kansas City, Mo., South Bend, Ind., and Pittsburgh, Pa.

A buffet luncheon was served Sunday afternoon on two long tables which were decorated with small yellow flowers.

Mrs. Marvin Schoen of Chicago and Mrs. Edward Breuser of Mokena presided at the coffee urn and punch bowl. Mrs. Alma Brown of Mokena was in charge of the serving.

Mrs. Ervin W. Brookman of South Bend and Mrs. Merle Brookman of Kansas City, daughter-in-laws of the honored couple, were in charge of the many beautiful gifts presented, and Mrs. Bertha DeBraun and Mrs. Martha Lee Doyle of Mokena served the five-tiered wedding cake. The couple's granddaughter, Elaine and Carol Ann Brookman of South Bend assisted in serving the cake.

Besides their daughter, Mrs. Henry Clark of Mokena, the Brookmanns have two sons, Ervin of South Bend and Merle of Kansas City. They also have seven grandchildren.

Despite injuries suffered in a serious auto accident several years ago, Mr. and Mrs. Brookmann are in good health.

Old JTHS Class
Mates Meet In
Semmler Home

A pleasant reunion of a few friends of the class of 1908 of the JTHS was enjoyed in the home of Mrs. Margaret M. Semmler of Mokena last Friday afternoon at a luncheon. The dining room table was covered with a white linen spread centered with a low bowl of garden flowers and lighted tapers.

Guests and class members besides Mrs. Semmler were Mrs. Howland Constance, Canton, Miss.; Mrs. Jay Owens, Plainfield; Mrs. William Engle, Mrs. Oscar Ringstrom and Mrs. Raymond Tupper all of Joliet, and Mrs. Hugh Deadmore, sister of Mrs. Semmler.

Group pictures were taken and the afternoon was enjoyed visiting.

It has been over 40 years since Mrs. Semmler and some of these class mates have met.

Carnival at New
Lenox Tonight

Don't forget the annual carnival being held tonight, Thursday night June 19, at 7:30 on the Episcopal church lawn at New Lenox. There will be the usual band concert, games, refreshments and fun for all the family. Mrs. Francis Regan is chairman in charge of the affair.

Limas Brown, chief engineer of the firm of DeLeuw, Cather and company of Chicago, was the target of many and rapid questioning when he explained

Citizens of Mokena showed much concern over the proposed water and sewer system in their village as planned by the village board, when nearly 250 persons attended a mass meeting last Wednesday night in the public school gym.

It should be stated in the start that Mokena citizens are not opposed to improvements, especially drainage and sewer, if it is within their financial ability and properly handled.

Mayor Harold Spiess opened the meeting by introducing Rev. William Riemann, pastor of St. John's Evangelical church as moderator whom the village board named. He explained the purpose of the meeting and during the evening stated he was in favor of improvements. He stated that specialists on the projects were present to explain and answer all questions, which resulted in many heated arguments.

James G. Brown, public health engineer from Will county health department in his opening remarks said that any person having a well serving 10 lots must have a permit to put in such a well and that owners or custodians of such a well are responsible for the operation and condition of its water. He stated that such a small amount of chemicals are used to chlorinate water that one would never know it was added. He encouraged the drilling of another well for Mokena, but added they could not make the people agree to it. He spoke at length on a water softener as proposed, being installed in the village.

It was explained that the new water system proposed would cost the village tax payers \$115,000 which would be paid out of the water earnings over a period of 40 years; that there are 318 water users in the village divided as follows: 282 meter users, 30 of which have no record of meters, seven outside village users and 28 additional users, totaling 318. There was one apartment reported where there are four users on one meter, each user just paying a minimum charge for water.

It was the plan of those in charge of the meeting not to have any questions from the floor, same should be written, given to the chair when they were discussed. But that did not hold, as many questions were asked during the first speaker's presentation and the demand was that the questions should be asked and answered at once, when the subject was fresh in the mind, and the chair had to yield.

It was brought out that water users should pay for all the water they used, that there should be no one using water as much as desired and only paying a minimum charge.

It was explained that rehabilitating the existing water system would cost \$10,000; construction of a new well, \$20,000 water softener and filter, \$40,000, and extension of water mains, \$44,700, a total of \$114,700. This was explained would be paid out of the water revenue, that is by the water users paying their bills according to the amount of water used as registered by their meters, and this over a period of 40 years. An example given as to cost of payments: that whereas the minimum charge now is \$10.00 a year, it would be \$10.50 per quarter for every 7000 gallons of water per quarter used, totaling \$42.00 per year. It would increase in cost according to amount of water used. Various examples were asked where a user is now paying \$19 per year, under the new system it would be \$60 per year, but according to the written report of the bond house that figure is given as \$74 per year.

Many persons were heard to say they would install their own well and others said they would have to sell their home and move from Mokena as the costs of these projects were thought to be prohibitive.

Cross connections in the village water system was a main criticism. There are a number of cisterns connected with the water mains and when the pressure is low, seepage from these cisterns goes into the water mains with resulting contamination to the village water. Some of these cross sections have been removed.

Limas Brown, chief engineer of the firm of DeLeuw, Cather and company of Chicago, was the target of many and rapid questioning when he explained

Bobzin-Swinford
Post, Auxiliary
Meet, Elect Officers

Bobzin-Swinford post 1098 of the American Legion met Monday evening June 9, in the village hall in Frankfort. Marvin Weitenhoff presided.

Albert Krusemark showed pictures and offered explanations concerning the new high school of District No. 210, of which Frankfort is a part.

The following officers were elected: Donald Carroll, commander; Lloyd Luhring, senior vice commander; Walter Mark, adjutant; and Donald Oetter, finance officer.

The American Legion Auxiliary of the Bobzin-Swinford Post met last Thursday evening with Mrs. Howard Osmus presiding. Nineteen members were present.

Albert Krusemark again showed his pictures of the new high school for District No. 210, and answered the questions.

Mrs. Kenneth Oetter, chairman of Poppy Day, reported net receipts of \$121.29.

Plans for an outing were discussed.

An election of officers was held, with the following results:

Mrs. Herbert Bixler, president; Mrs. June Nieland, vice president; Mrs. Kenneth Oetter 2nd vice president; Mrs. Clarence Klepper, secretary; Mrs. William Seemann, historian. Mrs. Conrad Oetter, chaplain and Mrs. Howard Seemann, sergeant at arms.

After the meeting refreshments were served by Mrs. Howard Osmus and Mrs. Louis Ebert.

TO BE MARRIED SATURDAY

Mr. and Mrs. Charles Schult are announcing the approaching marriage of their daughter Florence to Mr. John A. Ball, son of Mr. and Mrs. John Ball of Frankfort. The wedding will take place in the Immanuel Lutheran church in Mokena Saturday evening June 21 at 7 o'clock.

Following the ceremony a reception will be held in the VFW hall in Mokena. All friends and relatives are invited to both the wedding and reception.

The sewer project. This sewer is planned to start at Front street and Wolf road with a 12 inch tile, go south to Union, east to Bryant and then with a 30 inch tile north to the Marley creek.

Harold Warren, representing the bond house of Benjamin and Lang of Chicago stated this sewer improvement would cost \$62,000 and would be paid for over a period of 20 years at the rate of \$2.65 per \$1,000 valuation.

Owners on the south side of Front street protested that all these improvements were only benefiting the north side and yet the south side, who have already paid for their own drainage themselves, would be taxed for 20 years to pay this project.

Answer to a question showed that \$5.50 was the given cost per foot of laying this sewer and the questioner stated he had investigated from reliable firms and found that that work could be had at \$1.50 per foot. The specialist stated that the bonds would be given for the total cost and that lower bids would be had if available.

When questioned about the standing water in the village it was told that some of it would be taken care of by the sewer. Questioners brought out the fact that the water in basements is caused by storms. It was reported that interest rate on the water improvements would be 4 1/4 percent; on the general obligation bonds, 3 1/4 percent, and if the project goes through the engineer would receive 7 1/2 percent of the total.

It was stated that there are 1,000 people in Mokena now. (The last census about a year ago gave it at 900) and these improvements are planned for 1,500.

Straw vote ballots were passed out and when counted showed the following:

Project	Yes	No
Sewer improvements	45	86
Water Improvements:		
For rehabilitation	41	83
For new well	35	90
For water main extensions	37	92
For softener and filtration	24	100

There were 18 straight yes votes; 65 straight no and 50 split votes totaling 133 votes.

Movie pictures were planned to be shown in the beginning, but the audience said they did not care to see them as they had come to get information on the water and sewer projects as proposed by the village board.

The group in charge had prepared coffee and doughnuts but when the meeting finally adjourned a very small number remained for refreshments.

Burglars Strike 3
Times in Mokena

A wave of larceny has swept Mokena. Last Friday evening during the severe rain and electrical storm, or sometime during the night, the Cooper and Hostert garage in Mokena was broken into and an electric wrench, valued at \$125.00, was stolen.

The same evening thieves, possibly the same gang, forced their way into St. John's Evangelical church basement, stole one of the fire extinguishers, and spread its contents over the kitchen equipment.

On the evening after the storm Ed Martie, janitor of the Mokena public school, was at the school investigating flood conditions. When he was about to leave for home he discovered that his car had been stolen. Later it was reported found at Route 42A and Route 83, near Blue Island. No damage was done to the car, but Mr. Martie had to pay \$12.00 charges to get his car back, to cover towing charges to the Blue Island police station.

Another theft was reported by Merle Myers, owner of a factory on Wolf road, a little south of the village, where men's and women's cloth coats, and leather and denim jackets are manufactured.

Articles stolen included a woman's gray tweed coat; three leather jackets; 12 denim jackets; 12 gabardine jackets and some satin twill jackets ranging between \$300 and \$350. They were not covered by insurance. Some were to be repaired and Mr. Byers is responsible for them.

The day preceding these thefts four strange youths were observed loitering in the vicinity. One housewife took particular notice of them, and observed that one of the boys wrote something on a street sign. After the robberies were reported her suspicions were aroused and she notified authorities, who found the name of Don Taube, Kenosha, Wis., written on the sign.

All of these robberies have been reported to Sheriff Roy C. Doerfler, who is conducting an investigation.

Jack Burns Drowns
In DuPage River

The swollen DuPage river claimed the life of Jack Burns, 18, son of Mr. and Mrs. James Burns of New Lenox, last Sunday.

Burns and his companions, Joyce Werner and John Ellis of Mokena, and Geraldine Richmond of Lockport, all 18 except Ellis, who is 20, went for a ride Sunday, and stopped along the DuPage river in Hammel's woods, near Troy. Burns said he was going in swimming, but the others tried to dissuade him, as the river was very swift and swollen. However, Burns insisted on going in. He plunged in, about 200 feet north of the dam, and was soon swept over the dam by the surging waters.

When he went down his companions called for help. Several young men who were nearby and who had witnessed another drowning at the same spot a little earlier, went into action and got Burns out of the water. An inhalator squad was soon on the scene. Firemen Anton Russ and Lee Smith used the inhalator on Burns for 15 minutes at Troy, and en route to St. Joseph's hospital in Joliet, where he was pronounced dead.

The youth is survived by his parents, Mr. and Mrs. James Burns, a brother, James Jr., and two sisters, Susan and Mrs. Edwin Lehnert. The body was at rest at the O'Neil Funeral home in Joliet. Services were held in St. Jude's church in New Lenox Tuesday. Burial was in St. Joseph's cemetery in Manhattan.

NEW LENOX BAND PICNIC
SCHEDULED FOR JULY 13

The regular business meeting of the New Lenox Band Parents association was held June 2nd in the Haven school. Mrs. Esther Batson presided. Mrs. Erma Long was elected treasurer; Mrs. Adelaide Ruhl was appointed auditor; Mrs. Laura Dowel, ways and means; Mrs. Wilma Hammond, hospitality chairman; and Mrs. Betty Warning, publicity.

Plans were made to hold the annual band picnic July 13 at Inwood, with potluck supper at five o'clock. Mr. W. H. Reed, band director, announced that band practice will be held every Thursday night at 7 p.m.

The next meeting will be held September 8.

A special election has been called for Community High school District No. 210 for Saturday, June 28, 1952. The purpose of the election will be to select a site, approve the purchase of the site, the construction of the new high school building, and a bond issue of \$1,200,000. The polls will open at 12:00 o'clock noon and close at 7:00 p.m. There will be four separate precincts with polling places at the Frankfort public school, the Mokena public school, the Haven school in New Lenox, and the Manhattan public school.

The voters will receive two ballots which are to be voted on. On the first ballot the voter will choose the site for the high school building. On the second ballot the voter will be asked to approve three separate propositions. These will be, first, the approval of the building site, second, the approval of the construction of the high school building, and third, the approval of the bond issue.

There will be two sites listed on the first ballot. Both sites are located on the north side of U. S. 30 about one and a half miles east of New Lenox. The two sites are situated adjacent to each other and are very close to the geographic and population centers of the district. More than one-half of the children of the district under 18 years of age live within three miles of these sites.

The first site appearing on the ballot will be the Shepley site which consists of 70 acres at a cost of \$400,000, or a total cost of \$23,000,000. This site has approximately 1,320 feet frontage on the highway.

It contains a small grove of trees and is well drained.

The second site is the Archibald site which is just east of the Shepley site and contains 50 acres at a price of \$500,000, or a total of \$25,000,000. It has about 325 feet frontage on the highway and has about 10 to 15 acres of waste ground on the north end of the tract adjacent to Hickory creek and the Rock Island railroad.

Public meetings have been scheduled by the board of education for each community. All interested voters are invited to attend these meetings. The architectural firm of Childs and Smith who have prepared the preliminary plans and drawings will be present to explain the details of the building. Superintendent A. Hunter Chapman will discuss the curriculum of the high school, and the board of education will discuss the high school program generally.

These meetings are scheduled for the week of June 23 at 8:00 p.m. and will be held at the Mokena public school on Monday night, June 23, at the Frankfort public school on Tuesday night, June 24, at the Haven school in New Lenox Thursday night, June 26, and at the Manhattan public school Friday night, June 27.

The high school building as planned by the architects, Childs and Smith, is a modern functional school building planned for the specific needs of the high school district. The basic plan was developed around the recommendations of the Survey Report of the University of Illinois and the curriculum recommended in this report. The curriculum will be a fully accredited curriculum containing 12 complete programs and are designed specifically for the needs of this district. It is planned so as to be flexible and capable to meet future changes that may arise in the district. It has been designed with the purpose of giving the district the best possible building per tax dollar.

The academic section will be two-stories in height with the remaining part of the building one story. There will be no classrooms below ground level. The gymnasium, cafeteria and auditorium are planned for the ultimate needs of the district so that no further expansion of these portions of the building will be necessary. These facilities are also planned for community use after school hours. The gym will accommodate 1600 people and will have two full sized gym floors for use in the boys' and girls' physical education program. Folding bleachers will be used to save space and to give them maximum seating capacity.

The shop wing will contain an agricultural shop and a general shop with classrooms adjoining. According to Childs and Smith, "The entire building is planned so as to give the district a building that will accommodate a well rounded educational program."

Use a DEHUMIDIFIER in your
home for 5 days...FREE!

Special Trial Offer...

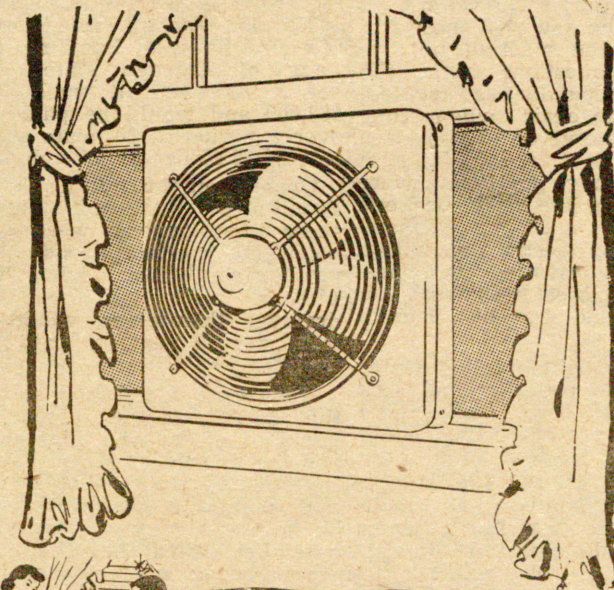

Phone or visit our nearest store
for your 5 day free trial Elec-
tric Dehumidifier. It will be deliv-
ered to your home without charge
or obligation!

Find out for yourself how easy it is to stop excess moisture damage in your basement storage space... home... or place of business. You know the signs—dripping pipes, musty odors, crumbling plaster. Excessive moisture causes rusted tools and machinery... corroded furnaces and electrical equipment... clothing, luggage, furniture to mold and mildew.

An Electric Dehumidifier condenses damaging moisture from the air, and collects it for easy removal... economically... electrically.

See for yourself what real
summer comfort is!

Use a night cooling
window fan in your
home for five days...
absolutely free! Just phone
or visit our nearest store... the
fan will be delivered to your
home without cost or obligation.

A night cooling window fan takes summer heat right out of your home... because it pushes the stored-up hot air out, and draws cool night air in from outdoors. As the cool air circulates gently through your home, room temperatures drop. Your home is cooled... you can relax in comfort... and sleep well every night.

A night cooling fan is easily installed in almost any window. And because it is portable, can be moved simply and stored in a small space. Just a flick of a switch reverses the air flow to draw fresh air directly into the room where the fan is placed.

Take advantage of this free trial offer now... and see how easy it is to spend a cool summer!

No. 4 Oiling Small Motors

Electric motors in mixers and other home appliances should be oiled at regular intervals with just one drop of oil in each oil hole. Don't squirt the oil from the can; instead, use a medicine dropper. Using just the right amount of oil is so important that electric razors are usually oiled with a hypodermic syringe. Too much is as bad as too little.

who passed away June 14, 1941. Somewhere above this troubled world. Safe beyond all grief and care. Our son rests in Heavenly peace.

God grant some day we'll meet him there. MR. and MRS. CLARENCE LAUFFER and FAMILY

Mr. and Mrs. Henry Luplow observed their 25th wedding anniversary yesterday. They enjoyed dining out and an auto trip for the day.

A June birthday party will take place at the regular meeting this afternoon of the Women's guild of St. John's Evangelical church. This will be a pot luck dinner.

The Bible study class of the Methodist church met Sunday evening with Mr. and Mrs. Roy Kohl. The next meeting will be with Mr. and Mrs. W. H. Bradley Sunday evening July 20.

The WSCS of the Methodist church met last Thursday afternoon with Mrs. W. H. Pitman. Election of officers was held as follows: Eloise Erdman, president; Mrs. Howell, vice president; Mrs. Fassett, secretary; and Mrs. Niethammer, treasurer. The meeting in July will be a picnic in the Van Horn woods.

A family gathering was held in the home of Mr. and Mrs. Albert Hellmuth in honor of father's day last Sunday. A picnic dinner was served under the trees in the yard of the home. Among the children of the Hellmuths with their husbands and wives who were present were 10 grandchildren.

Sharon Capple and Cinda Robinson participated in the dance recital given by the Virginia Kelly school held in the Rialto theatre in Joliet June 11.

Roy H. Carlson a former Mokena resident called at the News-Bulletin office Monday afternoon. It was a pleasure to chat with him for a short time, especially so since he returned from 16 months service in Korea. He returned home June 3. While he was in Korea his parents moved to Joliet where he is now living and working. Roy was in the army for 43 months and was in the signal and radio section in Korea. He saw much rugged action and the coldest winter ever experienced in that country.

The 2½ year old son, David, of Mr. and Mrs. Chester Ebert had his third finger on his left hand caught in a pulley of an electric pump at his home last Saturday evening. Passing neighbors, Mr. and Mrs. William Lowry, were hailed who took him and his mother to the Hedges clinic in Frankfort where it was found the tip of the finger was cut off. He is doing nicely now.

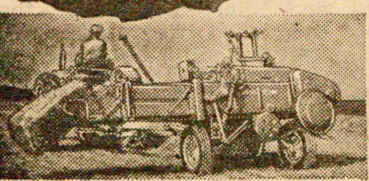

Circle two, of the WSCS of the Methodist church will hold a bakery sale in the Cooper and Hostert garage Saturday afternoon, June 28.

Mr. and Mrs. Everett Cooper and Mr. and Mrs. John Marti attended the show, "Guys and Dolls" at the Shubert theatre in Chicago Monday evening.

The MYF of the Methodist church will motor to the Roy Kropp's summer home at Bass Lake.

The Big Run Country club was the scene of the Village players first annual dinner-dance last Saturday when the following members attended and had an enjoyable evening: Mildred and Russell Anderson, Marguerite Bass, Donna Bueschel, Edna and Henry Clark, Hilda and Milton Geuther, Mary and Ed Hart, June and Ed Hentsch, Herta and Wendell Hamilton, Sue and Winston Hamilton, Patricia and Leo Marcoux, Vera and Roy Richardson, Virginia and Kenneth Sherwood, Clarabel Sippel, and Gladys and Charles Swanberg. Alfred Hatch has returned to his home in Mokena after spending the winter in his home in Florida with his sister, Mrs. E. Grassle.

NOTICE OF SPECIAL ELECTION CONSOLIDATED HIGH SCHOOL DISTRICT NUMBER 230.

Notice is hereby given that on Saturday, the 12th day of July, 1952, an election will be held in and for Consolidated High School District Number 230, Cook County, Illinois, for the purpose of voting upon the following propositions:

1. To select a school house site in and for Consolidated High School District Number 230, Cook County, Illinois.

Responsive to petitions heretofore filed with the Board of Education of said School District, each of which petitions request that a particular site therein described be placed upon the ballot to be used at the election to be held for the purpose of selecting a school house site in and for said School District, the following described sites will be voted upon as a school house site for this District, the said sites so petitioned for being described as follows:

Site No. 1: Lots One (1) and Two (2) in Elmore and Co.'s Golf View Addition, a Subdivision of the South Fifty-four (54) acres of the East Half (E½) of the South East Quarter (SE¼) of Section Thirty-three (33), Township Thirty-seven (37) North, Range Twelve (12), East of the Third Principal Meridian, Cook County, Illinois, except that part taken for Forest Preserve and Highway.

Said site is located generally along the West side of South 96th Avenue (U. S. Highway No. 45), approximately 13300 South, Palos Township, Cook County, Illinois, and the area of said site is approximately 17 acres. The maximum estimated cost of acquiring said site is \$15,000.00.

Site No. 2: The East Forty (40) acres of that portion of the North Half (N½) of Section Twenty-three (23), Township Thirty-seven (37) North, Range Twelve (12), East of the Third Principal Meridian, Cook County, Illinois, lying North of the Northerly Right-of-Way line of the Sanitary District of Chicago.

Said site is located generally along the South side of 111th Street, approximately 8000 West, Palos Township, Cook County, Illinois, and the area of said site is 40 acres. The maximum estimated cost of acquiring said site is \$20,000.00.

Said petitions for the placing of the proposed sites upon the ballot, together with a map of each of the proposed sites, are now on file and of record in the office of the Secretary of the Board of Education of this District, and are open to public inspection.

2. Shall the Board of Education of Consolidated High School District Number 230, Cook County, Illinois, purchase a school house site in and for said School District?

3. CARD OF THANKS

We wish to express our deepest thanks and appreciation to all our good friends and neighbors of Tinley Park and surroundings, Rev. James Odom and the Hirsch funeral home, for the kindness and sympathy

extended to us in our recent bereavement.
ROBERT E. ANDERSON and FAMILY

The list of Thornton High school graduates given in last week's paper was incomplete. Other graduates were Charles Schara, Lowell Moss, Janice Meyer, George Kodadek, Pat Bacon, Kay Asher and Joe Gallina.

The next meeting of the Bre-

men Home Bureau will be June 25 at 7:30 p.m. at the home of Mrs. Kenneth Schmudde, 16822 Sayre ave. The lesson will be on Hearty Salads, given by local leaders, Mrs. Lee Bacon, and Mrs. Richard Harding. Guests are welcome.

The Young Adults of the Methodist church met in the church Sunday evening. Due to the absence of the president, Hal Kent, who was away on a business trip, his wife Pat presided. Plans were discussed for a picnic to be held next month. Several projects were also considered as a means of raising money. Lee Rayson gave a report on a "Retreat" which he attended, and a discussion followed. The meeting adjourned to the parsonage where refreshments were served by the hostesses, Mrs. James Odom and Mrs. Walter Fierke. Mary Dejanovich is recuperating in the home of her daughter Mae Splawski, after her recent hospitalization.

Mrs. Hal Kent and Edith Lou spent several days in Decatur, with relatives.

Mr. and Mrs. Percy Jochum and family, Mr. and Mrs. Joe Andres, Mr. and Mrs. Harold Zobe and family, and Mr. and Mrs. Dallas Webster attended the opening of the 1952 season of the Berger Methodist camp grounds last Tuesday evening.

Dr. Steuart White, district superintendent, extended greetings, and presented the Salvation Army Chicago staff band, who gave a number of selections.

Mrs. John Dolk entered Hazelcrest hospital Thursday for surgery.

William McBurney left for Springfield on business, and will be gone for an indefinite period.

Hal Kent's brother, Ralph, wife and children of Billings, Montana arrived Friday for a short visit at the Kent home.

Mr. and Mrs. Joe Gallina, Ronnie and Jean spent last weekend in Spring Valley, the home town of Mrs. Gallina.

Mr. and Mrs. Joe Gross and Jimmy of Lockwood ave. and Mr. and Mrs. Ken Schmudde, and sons, Ken and Lee, celebrated the anniversary of Mrs. Gross and Mrs. Schmudde's parents, Mr. and Mrs. James Alexander at a dinner in their home in Chicago Saturday.

A reunion of the Class of 1948 of the Tinley Park public school was held at the home of Kenneth Webster, Sunday. Games were played and a buffet supper served.

The infant daughter of Mr. and Mrs. Gerard Williamson, was christened Colleen Ann, in St. George church by Father O'Connell Sunday, June 8. The sponsors were Mr. and Mrs. Don Lamoureux. They were guests at dinner afterwards in the Williamson home.

Mr. and Mrs. Herbert Hultsch and family were guests of Mr. and Mrs. Harry Webb in Oak Lawn, Thursday.

Glenna Ann, 6 months old daughter of Mr. and Mrs. Ejnar Monson, was christened in her home by Rev. William Riemann of Mokena Sunday. The sponsors were Mr. and Mrs. Roy Kohl of Mokena. A picnic dinner was held outdoors. Guests were Rev. and Mrs. Riemann, Mr. and Mrs. Walter Rieeser, Mr. and Mrs. Marcus Monson and Carol, Mr. and Mrs. Ernst Monson, the grandparents, Mr. and Mrs. Harold Kohl and the sponsors.

Open house was held Thursday night at the home of the Ernest Yepsen's, after the graduation exercises at Thornton High school, in honor of their daughter, Joan's graduation. Thirty guests were present. Her brother Ernest was home on leave from the Navy to see her graduate. Out of town guests were Mr. and Mrs. Harry Redemann, of Glenview, Mr. and Mrs. George Gifford, of Genoa City, Wis., and Mr. and Mrs. Jonas Fugette and family of Grays Lake. Delicious refreshments were served. Sunday the Geo. Giffords entertained at their

home, in celebration of Ernest's 20th birthday. Guests were relatives of the Yepsen's.

Mrs. Lewis Shawver, program chairman, of the Tinley Park Woman's club and her committee, held a meeting in her home Wednesday afternoon to plan the program for the coming club year.

Weekend guests of Mr. and Mrs. Joe Andres were Mr. and Mrs. Ludwig Lischer of Michigan City, Ind.

The P. L. Jochums entertained Sunday Mr. and Mrs. Ludwig Lischer of Michigan City, Ind., Mr. and Mrs. Joe Andres; Mr. and Mrs. John Rinse of Lafayette, Ind., and Mr. and Mrs. Ludwig Lischer, Jr. and daughter of Glen Ellyn.

The Campbellaires of Palos Heights received 1st prize on the Morris B. Sachs Amateur TV program Sunday, June 8. They are now privileged to appear on the "All Winner Show" Aug. 24. To the act receiving the most votes on this program a 1952 Ford will be awarded as Grand Prize.

Crushing Machine Cures Hay Quickly

A crushing machine does a quick, thorough job of curing hay. And it preserves more protein and carotene in the hay than is preserved by ordinary drying methods.

J. H. Ramser, agricultural engineer at the Illinois College of Agriculture, says Illinois farmers can buy a crusher that trails a tractor either with or without a mower. The crusher with mower saves time, of course. Without mower, the cost is \$835; with mower, the price runs \$1,085 to \$1,600.

Here's what happens in the crushing process: The hay passes between steel rollers that crack the stems lengthwise—they do not crush the stems to force out juice. Then the hay is spread over the stubble to dry. Slitting stems gives the same result as growing many small stems—more contact with air for quicker drying.

Key advantage of a crusher is that moisture in hay is cut down in half the time. Stems dry almost as fast as leaves, so leaves are not over-dried and don't shatter so easily. It saves a day of curing, and in some cases a day saved can mean a crop saved.

Louis Lauffer Herd Leads DHIA in May

According to the monthly report of Frederick A. Holm, tester for DHIA Association No. 1, the registered Holstein herd of Louis Lauffer & Son, Mokena, led this group in May with an average production of 1279 lbs. of milk and 48.4 lbs. of fat.

Other high producing herds in this association last month were owned by the following: Harold Schifler & McGlasken, Frankfort, 1247-484; Henke Bros., Peotone, 1385-479; Herbert Kohl, Matteson, 1134-47.4; Geo. Beutel & Sons, Mokena, 1216-46.3. All Holstein except Beutel's.

Louis Lauffer & Son also

owned the highest producing individual cow which produced 2560 pounds of milk and 108 pounds of butterfat in May.

Other high producing individuals were owned by the following: Walter Lauffer, Tinley Park, 1840-105, Holstein; Geo. Beutel & Son, third and fourth 2500-97 and 2610-97, respectively; Wm. Bernard & Sons, Mokena 2060-95, Holstein.

Is There a Diesel Tractor for Every Farm Job?

Yes, Oliver and only Oliver makes all its models with Diesel Power

What are the sizes?

The Oliver "66" (two plow), the "77" (two-three plow), and the "88" (three-four plow). Row crop or standard models.

Will I save by buying a diesel?

Yes, but the amount depends on how much you use your tractor . . . the more hours you work it, the more an Oliver Diesel saves. It burns about 6 gallons of fuel where a gasoline engine burns 10 . . . cost-per-gallon is roughly half. Ask your Oliver dealer . . . he knows the figures for your locality.

Does it have as much power?

Yes. Oliver Diesels have the same horsepower rating as other Oliver's in their class. They burn fuel slowly, start easily in cold weather, take heavy loads hour after hour.

Is the power as smooth?

With an Oliver, yes. Oliver gives you smooth, six-cylinder performance in the "77" and "88" . . . four cylinders in the "66".

Do I get all the Oliver features?

Every one! Features include: Six forward speeds, Grouped controls, Direct Drive Power Take-Off, "Hydra-lectric" implement control, easy-riding Oliver seat.

How can I tell if a diesel is best for me?

See your Oliver dealer. He knows how fuel costs compare . . . knowing how much you work your tractor, he can tell you whether the fuel savings make the diesel your best buy. Remember, your Oliver dealer is strictly impartial . . . he sells tractors for diesel, gasoline and LP-gas. His only interest is to see that you get the very best power for your farm operation. See him soon!

Illinois needs 6500 new teach-

 the elementary schools. This is
 particularly true in the small-

 NO. 5**

If you're a hay grower who wants to
 make short work of haying... cut 25 to 35 acres per
 day... mow in heavy or down and tangled hay... and operate any
 place a tractor will go, you'll do well to choose the John Deere No. 5
 Tractor Mower.

The No. 5 is a proved mower, through and through. It's simple, dur-
 able, easy-on or off. It has a strong, well-braced frame, enclosed drive
 gears which run in oil, safety spring release and slip clutch on the power
 shaft to protect the entire mower from breakage, and many other quality
 features you'll appreciate.

See it... operate it—and you'll agree—the No. 5 is truly a tractor
 mower—the best money can buy.

FRANKFORT LITTLE LEAGUES WIN 4-1

TEAM 1 2 3 4 5 6—Final
Frankfort 1 0 0 0 0 3—4
So. Heights 0 0 0 0 1—1

By Denny Wheeler

Hats off again to the Frankfort's Little Leaguers. Why? Because they won again, this time over South Chicago Hts. Final score: Frankfort 4, So. Heights 1.

Zechlin Wins No. 2

Manager Morrison again called on Dave Zechlin to pitch and he went out and won No. 2 for himself and No. 3 for the team. Most Frankfort fans should know that Frankfort beat the team that had won all its games up until now.

Carter Doubles Studnicki Home in First

The first two batters in the first struck out and grounded out respectively, and Ronnie Studnicki walked. Then Donnie Carter hit one to the right centerfield wall (there are walls in the Heights park) and Ronnie Studnicki hotfooted it to home dish.

David Zechlin meanwhile put the Heights team pretty well down in order for the first five, then in the sixth South Heights pieced together 3 hits and scored one.

In the sixth with Studnicki on second and one away Carter shot a hit into left. Chances were good for South Heights they could get Ronnie at the plate. But the pitcher cut it off and Ronnie scored easily. Zechlin then singled Carter home and the game was tied.

Now let's all go out Friday and cheer Frankfort on against Steger. Game time 6:30 p.m.

TINLEY SPORTSMEN WIN FROM CURVE INN 9-5

On Sunday June 15th, the Sportsmen of Tinley Park traveled to Curve Inn and came out on the long end of a 9-5 count.

The Sportsmen jumped out in the first inning for 3 runs on a walk, an error, a sacrifice and 2 singles, then scored 3 more runs in the third on 3 singles, an error and a walk.

Curve Inn counted once in the first inning and started out to have a big inning in the third. Ricci pitching for Tinley weakened from the heat in the third, and after allowing a walk a double, a walk and a scratch single, scoring one run and leaving the bases full with none

NEW POULTRY PRODUCT PREVENTS AND CORRECTS NUTRITIONAL POULTRY DISEASES

For years poultry raisers have been using tonics to keep their birds eating and producing and to give them extra amounts of essential minerals. However, even with these tonics in the feed, four out of five poultry flocks suffer from various borderline or marginal deficiencies. These deficiencies usually result in run down condition, slow growth, lowered egg production, and frequently cause actual diseased conditions.

To overcome these all too common conditions, the Dr. LeGear Medicine Company, pioneer in the field of poultry and livestock medicines, has introduced a

product called PLUS combined with POULTRY PRESCRIPTION, especially designed to prevent and correct all the common nutritional diseases and still provide the needed tonic boost. Now in one package poultry raisers will find the answer to the problem of run-down, unprofitable poultry. Plus combined with Poultry Prescription is guaranteed to stop nutritional diseases and, at the same time, it gives poultry the tonic boost needed for healthy appetites and high egg production. At the first sign of a nutritional disease, such as roughened feathers, leg weakness or low egg production, that's the time to start using Plus combined with Poultry Prescription.

Frankfort Small Fry Beats Beecher 5-2

The Frankfort team of the Wilco Eight Small Fry League opened the season last Friday evening by defeating Beecher by a score of 5-2 on it's home diamond. A large crowd attended the opening game.

After several weeks of spring training and much discussion, the group of coaches reached their decision as to who would be on the uniformed squad, and the night preceding the first home game presented uniforms to the fifteen required players.

The Small Fry League rules state that only five 12 year olds, five 11 year olds, and five ten year olds and under may be on the uniformed squad. According to League rules the present squad may be changed, providing a 24-hour notice is presented to League headquarters.

The Frankfort team consists of approximately 35 players. It is the aim of the coaches to change the uniformed squad from time to time with the improvement of the various members.

The uniformed squad for the present consists of the following players: In the 12 year old group are Ronnie Studnicki, Don Carter, David Zechlin, Allan Fink, and Jerry Mankowski. In the 11 year old group are Allan Schram, Arlan Schram, Alan Mager, Butch Krusemark, and Terry Schroeder. In the 10 year old and under group are Charles Otto, Jimmy Stevens, Jerry Piepenbrink, Billy Hart, and Jerry Eisenbrandt.

There are many other youngsters who are qualified to be on this uniformed squad, but due to the ruling that only 15 boys are allowed to wear uniforms, it was the decision of the coaches to place the above named on the starting squad.

It is urged that all be Frankfort Small Fry boosters and give support to the youngsters. Small Fry Baseball is definitely a builder of character, leadership and sportsmanship. It would be gratifying to know the adults of our community are supporting the team by attending all these ball games and encouraging the boys.

RNA Picnic

The Sun Beam camp of the Mokena Royal Neighbors and their families will have a potluck picnic supper in the village park this Friday evening June 20 starting at 7 o'clock. Each is asked to bring a covered dish to pass and their own table service.

Because June is juvenile month, a special invitation is being extended to the Juvenile camp and their parents to attend.

Games will be played and prizes awarded. It is hoped by those in charge that there will be a large attendance.

VOTERS TO APPROVE—

(Continued from front page) gram designed to meet the immediate needs of the community and its present and future citizens.

According to the University of Illinois survey report entitled "A School for Tomorrow," the contemplated enrollment of the school will be 450 students when it begins operation. In 1960 it will reach an ultimate enrollment of 600 to 650 students. This was based on a study of the population increases in the district since 1920. The survey report consisting of over 200 pages gives a complete plan for the district.

The recommendations for the curriculum contain 130 pages and are based on the best educational principles being used to day. The heads of the various departments at the University of Illinois all contributed to the survey. The County Superintendent of Schools, Mr. Bottino, in studying this survey report stated:

"The University of Illinois study will help your board and superintendent to establish a program right in the beginning which will be far in advance of what it might have been had this study not been made.

"We wish you every success in the years that lie ahead and feel assured that with reasonable interest and support on your part your High School District No. 210 will become one of the finest high schools in Will County and in the State of Illinois."

The total cost of the building including the ground, development, equipment, architects' fees etc., is estimated by the architects a \$1,200,000.00. This will be paid off over a period of 20 years. The survey report studied the financial situation of the district and compared it with eight other high school districts as to total assessed valuation per

student in high school districts of the same size. It found that District 210 was third high in these valuations. The survey report concluded, "The financial ability of District 210 is adequate to support a good educational program."

The Board of Education has issued a statement in which they have estimated the cost in taxes for this program based on estimates of the architects and the findings of the survey report. The board has found that the cost of the building will be 32 cents per \$100.00 assessed valuation. The board last year levied 18 3-4 cents for building purposes which the board contemplated would be used for the purchase and development of the site so as to eliminate the cost of borrowing money for that purpose. The estimated increase in taxes will then be 20 cents per \$100.00 assessed valuation for this building program. The average assessed valuation for the average home owner in the district was found to be \$4,000.00 so that the average increase in taxes would amount to \$8.00 per year or somewhat less than three cents per day. This estimate of the board was based on present conditions and present interest rates. In checking the full tax rate for the district after the school is in operation with adjoining high school districts in Will County and Cook County, the board has found that the total tax rate for the district will be comparable to that of the adjoining districts.
